The First Section ★ Since 1941

November 12, 2014

Dear Attendees, Exhibitors and Guests,

On behalf of all of us here at your Chicago Section IFT may I once again welcome you to Chicago and the 2014 Chicago Section IFT Suppliers' Night!

This year we are pleased to celebrate our 52<sup>nd</sup> Suppliers' Night since the inception of the Chicago Section. From just 11 exhibitors at our first event to well over 500 exhibitors and 3,000 plus attendees tonight, the CSIFT Suppliers' Night has grown to become a "must do" event on the calendar of the U.S. food industry. We are pleased you could join us here today.

The "Innovation NOW! Forum" is taking the year off in favor of a keynote speaker. Chicago Section IFT is honored to present Dr. A Elizabeth Sloan, Contributing Editor of "Food Technology Magazine" as this year's keynote speaker. Dr. Sloan's presentation, "What's Next? New Food & Beverage Ops, Issues and Cues For Growth" will begin at 11:00AM.

The Suppliers' Night Expo will begin at Noon and runs through 5:30PM. We have some 500 exhibitors here this evening offering the technologist the latest in leading food ingredients, processing technologies, laboratory equipment and other services. Following the Expo please spend a few minutes catching up with friends and colleagues during our Social Hour running until 6:30PM.

Once again our thanks to all of you the members of "The First Section" – Chicago Section IFT. Also our heartfelt thanks to all of our sponsors and volunteers who make this possible each year.

Now, Go Enjoy The Show!

Sincerely,

James N. Anderson
