Dear New Professionals,

Thanks to all who came out for the October Event. We had 26 attendees, making it one of the largest NP events we have ever held.

I'd like to encourage all of you to attend the **CSIFT Supplier Night on November 9th**. Not only to support our section, but it is also a great opportunity to learn about Food companies in the area and network with employers, suppliers, customers, etc.

Our monthly NP event will be held on November 17th at Marion Street Cheese Market in Oak Park.. Come out for artisan cheeses, seasonally-focused food, fine wine, craft beer and premium spirits!
