Dr. Lee will present on the topic: Sensory Science Evolution-Revolution. More information about the lecture and information on how to register can be found [here](#).

Elections for National IFT and the Chicago Section will run from April 19th until May 3rd. Please take a few minutes out of your day to vote for the candidates running for open positions.

As always, please reach out to me or our Business Office (BusinessOffice@ChicagoIFT.org) with any questions, comments, or concerns about the section.
