September Letter from the Chair

Dear CSIFT Community,

Welcome back from the warm Chicago summer and I hope everyone was able to enjoy themselves!

It is my pleasure to serve as your Chair this year for the Chicago Section IFT. Our volunteers have planned an amazing year of events. Last year we pivoted to virtual events to maintain the safety and wellbeing of our community. This year we are planning to blend virtual and in person (where/when possible) events to maintain safety while providing a satisfactory membership experience.

Did you know that each event and activity is planned by committees of dedicated volunteers that make up the CSIFT? These volunteers come from all over Chicagoland to dedicate their time to serve our members. Their hard work is critical to the success of the section and I would like to personally thank them for their time and commitment.

If you or someone within your network is interested in volunteering please contact the business office or me. We would love to have your help with the section and the section is always interested to hear your opinions and suggestions.

As always, follow and share the upcoming events and activities posted on our website, social media, and newsletters. I look forward to seeing you at our events and cannot wait for a terrific year!

Stay happy, stay healthy!

James Nasella
Chicago Section IFT Chair
